

JACKSON COUNTY BREVET

Benefitting the Aplastic Anemia & MDS International Foundation

LARGEST EVENT IN THE UNITED STATES
for Aplastic Anemia

ABOUT OUR BENEFITTING CHARITY

Aplastic Anemia occurs when the bone marrow stops making enough red & white blood cells and platelets.

AA&MDSIF provides answers, support and hope to thousands of patients and their families around the world.

Robert & Kelly

DATE: June 16, 2012 (Saturday)
TIME: 7:30am start
WHERE: Braselton, GA

REGISTRATION LIMITED TO 1,500

WHY THIS EVENT:

Aplastic Anemia is a rare & deadly bone marrow disease that receives almost no funding for research. As a result, the treatment has **not changed since 1986**. With modern medical advancements, **this is unacceptable**.

"This disease could take my wife Kelly at any time; I can't sit around and let that happen; I need your help to change this... not just for Kelly... but for everyone fighting this deadly disease. THIS IS WHY!!!!"

Robert Wilhite, Founder of Jackson Co Brevet
