

The Hagood Mill Monthly Ride by the Greenville Spinners

It's time for the Greenville Spinners' monthly ride to Hagood Mill!

Saturday, Sept 19, 8:00 at Furman

THERE WILL NOT BE AN OFFICIAL START FROM DOWNTOWN THIS MONTH

The long ride starts Downtown Greenville at Sulley's Steamers Restaurant located at the corner of Washington Ave and Main St at 7:15 am or gather in the courtyard at Furman near the lake at the Starbucks and Barnes and Noble Book Store and pedal promptly at 8:00 am. Downtown parking on the street is free with no time restrictions in downtown or there are several parking garages that are not much money.

It's a 59 miler from Downtown or 43-mile rolling, out-and-back route from Furman to Hagood Mill. There are some tough climbs on the ride.

We've painted pink directional arrows, and cue sheets will be available. To add more miles, ride from Sulley's Steamers Restaurant located at the corner of Washington Ave and Main St, or hop on the SRT and meet us at Furman in time to roll at 8:00 am. The Official ride will start and end at Furman.

There is no charge for this ride but everyone MUST sign a waiver at the start. If you don't sign a waiver then you are not part of this ride.

14 MPH average speed with No One Left Behind ... however, you must be able to keep the stated pace. The ride is rolling with several tough climbs with 3400' of total climbing. Please bring two bottles of fluid. You can replenish at Hagood Mill and there are three convenient stores along the way as well.

NOTE: There will NOT be a SAG this month. Please plan accordingly.

If you have questions, contact Don Hudson at president@greenvillespinners.org. If bad weather cancels the ride; we will post a notice to the Yahoo Groups and email Club Express by Friday at 9pm.
